**RE: Mobile Aeroplex at Brookley
Michigan Avenue and South Broad Street
Mobile, Alabama 36615**

Dear Records Access Officer:

- (1) Please email the following records if possible:

Tetra Tech Inc. (Tetra Tech) is conducting a Phase I Environmental Site Assessment (ESA) for a portion of the Mobile Aeroplex at Brookley. The area of interest is a vacant lot at the corner of Michigan Avenue and South Broad Street, and is identified by the tax ID: R023201520004001. To assist in identifying the records, a tax map has been attached indicating the location of the area of interest.

This investigation is being conducted in order to identify evidence of any recognized environmental conditions (RECs) that may have an adverse environmental impact upon the subject properties. Under the Alabama Open Records Law § 36-12-40 et seq., Tetra Tech is requesting records you may have concerning the property of interest. Such records may include **environmental liens, land use restrictions, wastewater permits, air permits, underground and/or aboveground tank registrations, inspection reports, wastewater, groundwater, or soil sampling reports/analytical results, building plans, spills of petroleum or hazardous chemicals, and reports of chemical odors or fumes.** Any assistance from your office would be greatly appreciated.

- (2) If all the requested records cannot be emailed to me, please inform me by email of the portions that can be emailed and advise me of the cost for reproducing the remainder of the records requested (\$0.25 per page or actual cost of reproduction).
- (3) If the requested records cannot be emailed to me due to the volume of records identified in response to my request, please advise me of the actual cost of copying all records onto a CD.
- (4) If my request is too broad or does not reasonably describe the records, please contact me via email so that I may clarify my request, and when appropriate inform me of the manner in which records are filed, retrieved or generated.

If it is necessary to modify my request, and an email response is not preferred, please contact me at the following telephone number: 585-417-4003.

If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name, address and email address of the person or body to whom an appeal should be directed.

Thank you in advance for spending time on this matter.

Sincerely,

Hanni Haynes
